

Je t'aime... moi non plus--Le Mépris (Contempt) <<春情金絲貓>>

Previously we have mentioned that there are two sex symbols mentioned in the lyrics of "The Tale of Helen of Troy" <<芳華絕代>>, and one of them is Marilyn Monroe 瑪麗蓮夢露. Now we would talk about Brigitte Bardot 碧姬芭鐸.

One of the most famous performance Bardot gave was in the film *Le Mépris (Contempt)* <<輕蔑>>. Its Chinese name "The Bawdy Kitten" <<春情金絲貓>> and the rap of Brigitte Bardot really misled many young men at that time to consider this is another "And God Created Woman" <<上帝創造女人>> in which she gave her titillating performance. (Unfortunately,) those young men discovered that this is actually an art film made by a leading figure of French New Wave Jean-Luc Godard instead of another erotic B-movie.
