

Nowhere? Somewhere in Time <<時光倒流七十年>>

Have you guys heard a song named "Turn the Clock Back" <<時光倒流二十年>> by Cantopop megastar Eason Chan 陳奕迅? Actually, the lyricist Lin Xi 林夕 deliberately design the title of this song as a reference to the Chinese name of the film "Somewhere in Time" <<時光倒流七十年>>, and this film is a collective memory of earlier generation of Hong Konger. Previously, HK actor Ronald Cheng 鄭中基 played a role in a film named "Himalaya Singh" directed by Wai Ka-fai 韋家輝, and one of the parodic scene was made as an homage to "Somewhere in Time".

(Source: Google)

(Is the actor looks familiar to you? Guess what? He is the portrayer of Superman! His name is Christopher Reeve, and he acted as a sensitive, passionate lover in "Somewhere in Time"!)

Hey!! You can borrow "[Somewhere in Time](#)" from the PolyU library!! Go to the Multimedia Commons on the 3rd floor and find the film according to the call number mentioned in the hyperlink!!
